

# Hurricane Season is Here

## Are You Prepared?

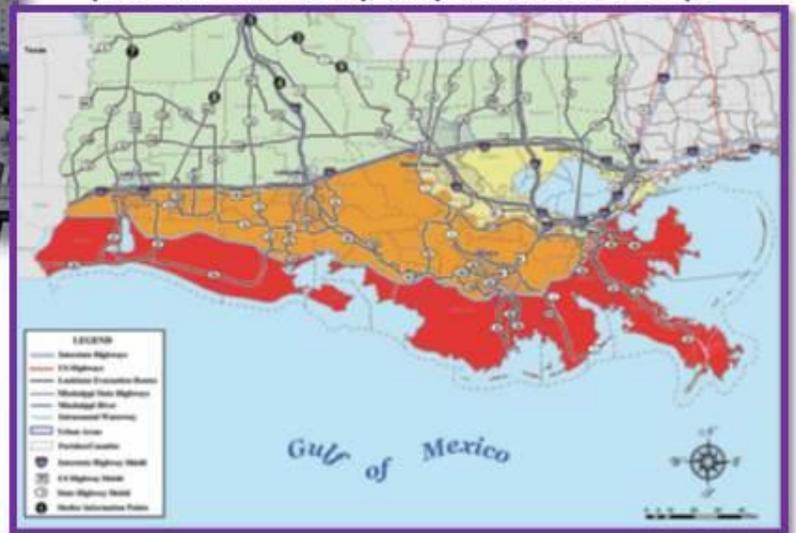

## We Want to Hear from YOU!

LSU is partnering with the Governor's Office of Homeland Security and Emergency Preparedness & Jefferson Parish to conduct a survey on individual preparedness actions when threatened by a hurricane:

- Will you evacuate or stay?
- Where will you go?
- How will you get there?
- Do you know your evacuation zone?

These phone surveys will occur during the months of August, September and October. Please help make a difference in how we can support you by taking part in this very important survey!
