## **PUBLIC UTILITY RESTRICTIONS**

As Jefferson Parish citizens return to their residents on Monday, September 5, 2005, please be aware of the sewer system restrictions.

The parish is experiencing very limited public utility services. Therefore, please use common sense and do not use your toilets, washing machines and other items that drain into our parish system.

It is important that when you return to your home you should open your sewerage cleanout cap line. This process will allow the sewerage to flow into yard instead of your home.
