ENERGY EXPO

Jefferson Parish Community Action Programs (JeffCAP) is hosting an Energy Expo, Wednesday, March 23, 2011, at the Dorothy B. Watson Community Center, located at 1300 Myrtle Street in Metairie.

The Expo will begin at 10am, ending at 2pm. Home Depot, Lowes, Atmos, Entergy and JeffCAP's Weatherization Program are some of the vendors participating.

Come out and learn many energy saving ideas and ways to reduce your energy cost. Live demonstrations will show how air can escape throughout your windows and doors, increasing your energy cost.

JeffCAP's Weatherization Program will be giving away energy efficient light bulbs, water heater blankets, etc.

The summer months are approaching, come out and learn many helpful tips on how to make your home more energy efficient.

For more information, please contact Jedidiah Jackson, Director of JeffCAP at 504-736-6900.
