Harvey Boulevard Extension Completed

Tomorrow, the Harvey Boulevard Extension from Wall Boulevard to Engineers Road will be open to traffic. Construction of this phase of the project started in January 2009. Barriere Construction Co., LLC performed the work at a cost of \$13,350,000. The project was funded by Federal (80%) and local (20%) funding.

The Harvey Boulevard Extension from Wall Boulevard to Engineers Road is the first of a three-phase project on Harvey Boulevard. This phase added 1.33 miles of new four-lane, median-divided Harvey Boulevard from Wall Boulevard to Engineers Road. Phase two of this project consists of improvements on Harvey Boulevard from Peters Road to Manhattan Boulevard and Phase three calls for improvements on Harvey Boulevard from Manhattan Boulevard to Wall Boulevard. Both of these projects are currently under design.

For more information, contact Mark Drewes, Director of Jefferson Parish Engineering Department at 504-736-6500.
