Jefferson Parish, Louisiana

Issued by: Patricia Borne
Public Information Officer

Our Mission Is:

“Provide the services,
leadership, and vision to
improve the quality of life
in Jefferson Parish.”

Steve J. Theriot
Parish President

FOR IMMEDIATE RELEASE

September 17, 2010

FREE VACCINES, MICROCHIPS, AND FOOD FOR PETS

The Jefferson Parish Animal Shelters, Jefferson SPCA, and the Humane Society of the United States will host a clinic on Saturday, October 2, 2010 from 10 a.m. to 3 p.m. The clinic will offer FREE vaccines, microchips, dog food and information on low cost spay/neuter services.

The clinic will be held at Belle Terre Playground at 5600 Belle Terre Road in Marrero. These services are limited and will be available on a first-come, first-serve basis.

FREE distemper/parvo vaccines (DA2PPv) will be available for puppies and dogs. FREE Feline Rhinotracheitis and Calici virus vaccines (FVRCP) will be available for kittens and cats.

This clinic is part of a new Jefferson Parish Animal Shelter Project called C.A.R.E, Companion Animal Retention Effort. The overall objective of the CARE project is to provide programs and services to the pet owning public, especially those that are having financial challenges, that will help keep pets at home rather than being relinquished to shelters.

Additional information can be obtained by calling either of the Jefferson Parish Animal Shelters at 504-736-6111 or 504-349-5111.
