LANE CLOSURES Lapalco Boulevard over the Harvey Canal

On Sunday, September 5, 2010 from 6:30 a.m. to 4:30 p.m., Lapalco Boulevard over the Harvey Canal will have alternating lane closures.

During the closure, the following will apply:

- Eastbound traffic will alternate lanes as directed by flagmen
- Westbound traffic will alternate lanes as directed by flagmen

The traffic control is necessary to wash down the Lapalco Bridge (i.e. clean the drain inlets). The Jefferson Parish Department of Public Works is performing the work. The project is expected to be completed on September 5, 2010, weather permitting.

For more information, contact Randy Nicholson with the Jefferson Parish Streets Department at 349-5800.
