### **Filming of Jeff Who Lives At Home Will Cause Lane Closures on Clearview Parkway**

The filming of the movie “Jeff Who Lives At Home” on April 23, 26, and 27, 2010 is expected to cause periodic northbound and southbound lane closures on Clearview Parkway between Veterans Boulevard and Meadowdale Street, between the hours of 6 a.m. and 7 p.m.

The movie crew is scheduled to shoot a car crash scene near the intersection of Clearview Parkway and Newlands Avenue. Crews must set up cameras, lighting and props along the median and traffic lanes of Clearview Parkway, prompting lane closures.

Electronic message boards and detour signs are being installed today. During the duration of the shoot, deputies from the Jefferson Parish Sheriff’s Office will direct traffic during the lane closures. The production company has worked with Jefferson Parish to assist in the safety of motorists traveling through the area and notify the residents and businesses of what to expect during the filming.

The following detours will apply:

- Motorist traveling northbound on Clearview Parkway, to the north side of Veterans Highway must turn left or right on Veterans Boulevard
- Motorist traveling southbound on Clearview Parkway may take Meadowdale Street or Kawanee Avenue and then choose to go right on Lime Street or left to Woodlawn Avenue back to Veterans Boulevard

If you have questions about how filming will affect your area, contact Cherreen Gegenheimer with the Jefferson Parish President’s Office at 504-736-6417. For information regarding lanes closures, contact Del Bosarge with the Jefferson Parish Department of Traffic Engineering at 504-736-6530.
