LANE CLOSURE WEST ESPLANADE AVENUE AT ELMWOOD CANAL (Elmwood Parkway to Academy Drive)

Beginning Monday, June 7, 2010 at 7 a.m. and ending Wednesday, July 7, 2010 at 8 p.m., one eastbound lane of West Esplanade Avenue between Elmwood Parkway and Tartan Drive in Metairie will close.

While there will be no detours, motorists should expect some delays. One lane will remain open at all times in both directions.

This lane closure is to allow paving operations associated with the new bridge. This paving work is expected to be completed on July 7, 2010, barring any unforeseen contractor delay and weather permitting.

Shavers Whittle is performing the work. This project is at an estimated cost of \$13,100,000.
