LANE CLOSURE Lapalco Boulevard over the Harvey Canal

Beginning on Saturday, May 15, 2010 at 6:30 a.m. and ending on Sunday, May 16, 2010 at 4 p.m. Lapalco Boulevard over the Harvey Canal will have alternating lane closures each day.

During the closure the following will apply:

- Westbound traffic will alternate the left and right lanes

The closure is necessary to wash down the Lapalco Bridge (i.e. clean the drain inlets). The Jefferson Parish Department of Public Works is performing the work. The project is expected to be completed on May 16, 2010, weather permitting.
