LANE CLOSURES LAPALCO BOULEVARD

Several lane closures will affect traffic on Lapalco Boulevard Friday, March 26, 2010 beginning at 9 a.m. and ending at 3 p.m.

During the closures the following lane restrictions will apply:

- Lapalco Boulevard over the Harvey Canal – one left lane eastbound and one left lane westbound will close from 9 a.m. to noon.
- Lapalco Boulevard over Bayou Segnette – one lane eastbound and one lane westbound will close from 1 p.m. to 3 p.m. One lane will remain open with flagmen stopping traffic and directing traffic to the open lane.

The closure is necessary to replace street lights on all east and west bound lanes of Lapalco Boulevard. Bloecher Electric Construction is performing the work at a cost of \$3,000. The work should be completed on March 26, 2010 barring any unforeseen contractor delay and weather permitting.

For more information please contact Mark Drewes, Director of Jefferson Parish Engineering Department at 736-6505.
