LANE CLOSURE WEST ESPLANADE AVENUE AT EDENBORN AVENUE

Beginning Friday, March 5, 2010 at 9 a.m and ending Monday, March 8, 2010 at 6 a.m., one lane at the intersection of West Esplanade Avenue at Edenborn Avenue in Metairie will close.

While there will be no detours, motorists should expect some delays. One lane will remain open at all times in both directions.

This lane closure is necessary to replace a damaged street panel and is expected to be completed on March 5, 2010, barring any unforeseen contractor delay and weather permitting.

Byron E. Talbot Contractor, Inc. is performing the work. This is a part of an ongoing project to install drain lines under the roadway at an estimated cost of \$3,651,409.

For more information contact Mark Drewes, Director of Jefferson Parish Department of Engineering at 736-6505.
