CDBG Program	Project Number	Project Overview
Katrina/Rita		
Fisheries	IFIS-00003	Construction of improvements to the Bucktown Harbor marina, including resurfacing of roadways, improved drainage, and safe access to fisherman slips and sites.
Fisheries	IFIS-00013	Improvements to Rosethorne Park in Jean Lafitte, consisting of the construction.
ILOC	ILOC-00055	Improvements to the drainge of the 17th Street Canal, including widening, deepening, and lining canal to increase conveyance.
LTCR	ILTR-00057	Improvements to the Harahan Wastewater Treatment Facility consiting of a generator installation.
LTCR	ILTR-00068	Improvements to the Gretna #1 Pump Station consisting of a generator installation.
LTCR	ILTR-00069	Improvements to the Gretna #7 Pump Station consisting of a generator installation.
LTCR	ILTR-00070	Improvements to the Kenner Lift Station #4106 consisting of a generator installation.
LTCR	ILTR-00071	Installation of culverts, catch basins, street cuts, driveway replacements, and utility adjustments along Canal St., Gloria Dr., Willie Mae St., and Eve Lynn Dr.
LTCR	ILTR-00074	Improvements to the Westwego Lift Station #1 consisting of the installation of a generator and two electric motors.
LTCR	ILTR-00075	Repair of storm-damaged patient room windows in West Jefferson Medical Center.
LTCR	ILTR-00076	Construction of subsurface drainage, pipes, drop inlets, street cuts, driveway replacements, utility adjustments, and street restoration along Willowbrook Dr.
LTCR	ILTR-00077	Installation of a new drain line to increase drainage capacity along Wedmore Dr.
LTCR	ILTR-00078	Reconstruction of Louisiana Ave and Admiral Craik Roads in Grand Isle.
LTCR	ILTR-00079	Improvements to the Kenner #4100 Lift Station consisting of a generator installation.
LTCR	ILTR-00082	Improvements to the Kenner #4341 Lift Station consisting of the installation of a generator and a submersible pump station.
LTCR	ILTR-00083	Improvements to several Gretna Sewer Lift Stations consisting of the installation of four portable generators and additional generator connection plugs.
LTCR	ILTR-00084	Installation of new wastewater treatment generator at the Gretan Wastewater Treatment Plant.
LTCR	ILTR-00097	Installation of a new switch gear and primary generator control cabinet at East Jefferson General Hospital.
LTCR	ILTR-00098	Installation of generator connection plugs with manual switchgears at 14 lift stations in Harahan.
LTCR	ILTR-00112	Installation of new culverts and street improvements on California Ave along Canal 2.
LTCR	ILTR-00113	Construction of a business incubator in Jefferson Parish to encourage small entrepreneurial buisness in technology.
LTCR	ILTR-00120	Installation of subsurface street drainage and street resurfacing along Maplewood and surrounding streets.
LTCR	ILTR-00121	Installation of subsurface street drainage and street resurfacing along East and West Livingston Place.
LTCR	ILTR-00134	Installation of subsurface street drainage and street resurfacing within the Oakwood/Terrytown neighborhood.
LTCR	ILTR-00135	Installation of sheet piling and concrete canal bottom along Gulizo Canal.
LTCR	ILTR-00136	Installation of pump station and force maint to reduce flooding along Suave Road.
LTCR	ILTR-00137	Installation of drainage improvements and street resurfacing in the Bunche Village Subdivision.
LTCR	ILTR-00157	Installation of drainage improvements from W. Metairie Avenue and Canal No. 5 to Cross Canal.
LTCR	ILTR-00165	Reimbursement of personnel costs associated with implementing Jefferson Parish Department of Community Development Programs.
LTCR	ILTR-00181	Reimbursement for the purchase of three generators purchased and installed due to Hurricane Katrina at Ochsner Medical Center on Jefferson Highway.
LTCR	ILTR-00182	Reimbursement for the construction of a water well installed due to Hurricane Katrina at Ochsner Medical Center on Jefferson Highway.

CDBG Program	Project Number	Project Overview
LTCR	ILTR-00184	Reimbursement for the purchase of a generator purchased and installed due to Hurricane Katrina at Belle Chase Highway.
LTCR	ILTR-00185	Reimbursement for the construction of a water well installed due to Hurricane Katrina at Ochsner Medical Center on Belle Chase Highway.
LTCR	ILTR-00186	Reimbursement for the purchase of a generator purchased and installed due to Hurricane Katrina at Ochsner on W. Esplanade Avenue.
LTCR	ILTR-00266	Installation of an emergency backup generator at the Marrero WasteWater Treatment Plant.
LTCR	ILTR-00290	Rehabilitation of Lift Station #4102 and Lift Station #4103 in Kenner.
LTCR	ILTR-00291	Rehabilitation of Effluent Pump #2 and #3.
LTCR	ILTR-00293	Installation of subsurface drainage along multiple streets in Jean Lafitte and the surrounding area.
LTCR	I26S-00002	Development of a comprehensive plan and substantial development code revisions for the City of Gretna.
LTCR	I26S-00001	Rehabilitation of the existing Headworks Facility at Harvey Wastewater Plant.
LTCR	ILTR-00292	Repair and Resurfacing of roadway in the Town of Grand Isle.
LTCR	ILTR-00295	Project Application was approved by State Office of Community Development on 9/19/2016.
Gustav/Ike		
INF	26PARA-2301	Rehabilitation of Lift Station #4102 and Lift Station #4103 in Kenner.
INF	26PARA-3416	Improvements to the Gretna City Park Detention Basin that will result in the combining of 2 existing detention basins into 1 single basin, thus increasing the capacity to handle storm water.
INF	26PARA-2302	Reconditioning of 2 wastewater effluent pumps and installation of 2 electric motors at the Harahan Waste Water Treatment Plant.
INF	26PARA-2101	Repair and Resurfacing of 17.7 miles of roadway in the Town of Grand Isle.
INF	26PARA-3202	Demolition and Reconstruction of a 20,000 square foot multipurpose auditorium in Jean Lafitte.
INF	26PARA-2304	Installation of an emergency backup generator at the Harvey WasteWater Treatment Plant.
INF	26PARA-3201	Elevation and improvements to the Senior Art Gallery to bring the building up to code and ADA standards in Jean Lafitte.
INF	26PARA-3411	Installation of subsurface drainage along several streets in the community of Barataria.
INF	26PARA-3423	Installation of subsurface drainage along multiple streets in Jean Lafitte and the surrounding area.
INF	26PARA-3424	Installation of subsurface drainage improvements within the Bannerwood Subdivision of Jefferson Parish.
INF	26PARA-2305	Installation of a backup generator at the W. Napoleon Ave Sewage Lift Station.
INF	26PARA-2303	Installation of a backup generator unit at the Eastbank Waste Water Treatment Plant.
INF	26PARA-2306	Replacement of Westwego's existing main water storage tank and replacement of water transfer.
