Each applicant shall furnish a written statement from the insurance company signed by an authorized officer of such company stating the applicant will be accepted for liability coverage under the terms of JPCO chapter 38, with respect to each vehicle for which an application has been made, if the application is approved.

Applications will not be accepted if incomplete. Drivers and vehicles must meet all requirements set forth in Jefferson Parish Code of Ordinances (JPCO) Chapter 38 or CPNC will be denied. If denied you have the right to appeal per JPCO 38-36. If no CPNCs are available this application will be placed on a waiting list and issued in order of receipt. You will be notified if a CPNC becomes available. If we are unable to contact you, your application will be removed from the list.
