

**Amendment No. 1 (Non-Substantial) to  
Community Development Block Grant  
Disaster Recovery Action Plan  
JEFFERSON PARISH LOUISIANA**

The purpose of this non-substantial amendment is to expand the EPO installation initiative to not only include stations that don't have EPO's; but to also modify existing EPO's, which will include the replacement of undersized EPO's with higher capacity EPO's and to relocate inaccessible EPO's to accessible locations.
